Have you contacted an attorney about this?

I would need to check, we've never been asked for this information.

Hi Jorge,

Do you know how to pull copies of emails in bulk on native format? Please see email below. We've been issued a CRPA request letter by the same blogger who was attacking Sakshi and Ganas.

If you do, would love to connect soon to walk through the process.

Thanks!

Subject: CPRA request (ECA.2019.10.13.a)

Good evening, Mr. Alonzo.

Tonight I am seeking to take a look at emails in your possession from 2018 and 2019 that meet any of the following criteria:

1. are to/from/cc/bcc any account at any of the following domains:
 - a. ccsa.org
 - b. calcharters.org
 - c. speakupparents.org
 - d. parentrevolution.org
